We have opportunities for new officers
and committee chairs.

Spring 2022

MEETING. Wed. MAY 18th at the Big Elk Restaurant, 707 E Washington St, Sequim, WA 98382. The "no host" lunch will be at 11:30 a.m., meeting will start at 12:00 p.m. You do not have to have lunch to attend the meeting.

For everyone's comfort, I would encourage everyone to be vaccinated and bring a mask. We will also try to provide as much spacing as possible. I am not sure if Big Elk is still requiring vaccination cards but I encourage you to bring yours, just in case.

AGENDA: Rehberg Law Group has agreed to have someone provide a virtual presentation on Estate Planning. They have a brief presentation and will be available to answer questions. This important topic can be confusing but should not be avoided. It is great to have some professional help learning about the options and laws.

Representative KILMER's office will provide a staffer for a virtual discussion on what is happening in DC. As you know, there are several bills that would benefit Federal employees in the works. I also want to remind folks that NARFE is non-partisan. That means we stick to the issues and not party politics.

WORKING TOGETHER TODAY TO PROTECT OUR EARNED BENEFITS TOMORROW

The Association, since July 1970, has been classified by the IRS as a 501c (5) tax exempt labor organization [not a union]; however, dues, gifts, or contributions to the Association are not tax deductible as charitable contributions.

From President Bob:

There are several bills in Congress that you should let our Senators and Representatives know how you feel. Several bills have been proposed that would affect the way Social Security payments are calculated with a CSRS annuity.

As the first week in May is Federal Employee Recognition week, it is important to continue to recognize the

Federal employees that lead the way to keeping people informed and provide the essential services for our great nation.

NARFE Webinars are a great source of information on your benefits. It is easy to log on www.NARFE.org and not only take in the current lectures but also review past lectures.

If you know any current employees let them know about this resource. It is a wonderful recruitment tool and you will be doing them a service.
