FALL 2022

MEETING. Wed. November 23rd at the Big Elk Restaurant, 707 E Washington St, Sequim, WA 98382. The "no host" lunch will be at 11:30 a.m., meeting start when the health care providers are ready to present.. You do not have to have lunch to attend the meeting.

For everyone's comfort, I would encourage everyone to be vaccinated and bring a mask. We will also try to provide as much spacing as possible.

AGENDA: HEALTH FAIR. We have invited the health insurance providers to give us a presentation on the changes to the FEHB plans. Open season ends early Dec. They will provide brochures and be available for questions. This is also an election meeting so if you would like to be an officer please let me know.

WORKING TOGETHER TODAY TO PROTECT OUR EARNED BENEFITS TOMORROW

The Association, since July 1970, has been classified by the IRS as a 501c (5) tax exempt labor organization [not a union]; however, dues, gifts, or contributions to the Association are not tax deductible as charitable contributions.

From President Bob:

First, there will be a new Congress next year which means a new set of legislation. Everyone should let their representatives know how and why you support or oppose certain bills that affect federal worker benefits.

For the last couple of meetings we have had some great speakers. They were both informative and entertaining. The sad part is only a few people showed up to hear them. We cannot continue to invite speakers if nobody is there to hear them. Please let me know, via email, what topics you want for a program. On the otherhand, I want to thank all of the folks that have regularly attend the meetings

The NARFE held its first national conference in August and it was both well attended and very informative. We will have a brief report at the meeting

NARFE Webinars are a great source of information on your benefits. It is easy to log on www.NARFE.org and not only take in the current lectures but also review past lectures.

If you know any current employees let them know about this resource. It is a wonderful recruitment tool and you will be doing them a service.
