Licensed Insurance Agent

As a broker, I specialize in Medicare insurance plans. My  
business is dedicated to finding you the right solutions  
to your Medicare needs. As a former social worker in the  
healthcare field I was well aware of the pitfalls of choosing the  
wrong medical insurance coverage. I began my business 15  
years ago specifically to help Medicare beneficiaries become  
educated about Medicare. My number one goal in my business  
is to provide the best customer service I can and be a partner  
with you as you navigate through your healthcare journey. I  
make Medicare simple, easy to understand and work with you  
personally to assure you are receiving the care and benefits  
you deserve.
